Santucci's Original Square Pizza was founded by the late Joseph and Philomena Santucci. Their incredible story began on 10th and Carpenter in South Philadelphia. In 1959, they moved to Northeast Philadelphia and opened the very first Santucci's Original Square Pizza on "O" Street in Juniata Park. Their dream was to build a strong family business they could eventually leave to their children. Their son, Frank Santucci, eventually took over the family business and maintained the name and the quality of the pizza since 1976. With over fifty years in business, we are excited to announce the involvement of the third generation of our family joining the Santucci tradition. Under their father's guidance, Alicia, Frank Jr., and Anthony will yet again strive to modernize and expand the Santucci brand. Our family is forever grateful for the continued support from so many loyal customers and followers of our restaurants.

Thank you! **ALICIA SANTUCCI** (Granddaughter of Founders, Joseph & Philomena Santucci)
